GREENE COUNTY PUBLIC HEALTH PRESENTS "DISCONNECT TO CONNECT", A NEW SIX PART SERIES TO ADDRESS MENTAL HEALTH IN CHILDREN AND YOUTH IN A DIGITAL WORLD

The series “DISCONNECT TO CONNECT” is a movement Greene County community partners are implementing to raise awareness about the mental health crisis facing our children and youth. This awareness campaign is not designed to attach any causal relationship between technology use and mental well-being. Instead, it is an effort to uncover how children, youth and families make use of technology and how to find the balance between productive use and avoiding or minimizing any harmful aspects. We all have a role to play..Read the full press release and details HERE.

CONGRATULATIONS TO CHAMBER MEMBER TONY CALI ON HIS BUSINESS REBRAND!

FAMILY 1st
INSURANCE AGENCY

We are looking for partners to help further our Mission!

We've Rebranded!

We've been around a little over 15 years as Cali & Associates selling property and casualty insurance. (Home, auto, condo, etc.) As Cali & Associates, we've achieved some major mile markers, awards and received all kinds of accolades as a successful agency. BUT we realized something was missing. We wanted to be more. We wanted to make an **impact on our community** and specifically dads. That's where our rebrand comes in. We recently rebranded to **Family 1st Insurance Agency** to better align ourselves with the **Family 1st Foundation** our CEO, Tony Cali, created.

Family 1st Foundation

In short, the foundation is geared towards helping dads become better dads. As their tagline says, "**Navigating Fatherhood in the 21st Century**". They provide community family events and a men's group for dads called "**ArmorBound**." They are a group of fathers who meet weekly to learn and encourage each other to be better for themselves and their families, which then, can impact **generations to come**. We are so excited to join forces with them and now have a Mission to **make a difference in people's lives!**

We are looking for help

Specifically, **Partners** who can:
1.) **Share information** about the foundation.
2.) **Send us your quotes**. The Agency is the sole source of funding for the Family 1st Foundation so every insurance quote that comes in, the **Agency then contributes $10** to the Foundation.

MIKE DEWINE
GOVERNOR OF OHIO

News and Updates from the State of Ohio

GOVERNOR DEWINE APPOINTS MCNAMEE TO XENIA MUNICIPAL COURT

Ohio Governor Mike DeWine announced the appointment of David M. McNamee to the Xenia Municipal Court in Greene County.

McNamee, of Sugarcreek Township, Ohio, will assume office on April 11, 2022, and will be taking the seat formerly held by Judge Ron Lewis, who was appointed to a different bench. McNamee must run for election in 2023 in order to complete the unexpired term ending December 31, 2025.

McNamee worked in private practice for nearly 23 years before he began working for the Greene County Court of Common Pleas, Juvenile Division as a magistrate in 2016. Most recently, McNamee worked as magistrate and court administrator at the Greene County Court of Common Pleas, Division of Domestic Relations.

McNamee received his law degree from the University of Dayton's School of Law. Additionally, he earned his undergraduate degree at the University of Notre Dame.

Ohio | TechCred

TECHCRED APPLICATIONS TO OFFICIALLY OPEN ON BIMONTHLY BASIS FOR REMAINDER OF 2022

Ohio Lt. Governor Jon Husted, Director of the Governor's Office of Workforce Transformation, announced that the 13th application period for TechCred close on March 31st. **Businesses of all sizes, from any industry, are eligible for up to $30,000 per round and up to $180,000 per year.**

"TechCred is helping businesses and thousands of Ohioans become more competitive," said Lt. Governor Husted. "TechCred has become part of the job training fabric of Ohio as many companies apply to use the program regularly. As a result, we want to help Ohio's job creators plan ahead, so we are announcing an official application schedule for the rest of 2022 that will help businesses maximize TechCred and better compete in today's tech-infused economy."

TechCred helps businesses address their workforce needs by upskilling current and prospective employees. To allow businesses more time to plan their employee trainings in advance, the TechCred application will officially open on a bimonthly basis for the remainder of 2022. Below are the current and upcoming application dates:

- Round 13: March 1st – 31st
- Round 14: May 2nd – 31st
- Round 15: July 1st – 29th
- Round 16: September 1st – 30th
- Round 17: November 1st – 30th

The current TechCred application period **closes Thursday, March 31st at 3:00 p.m.** Businesses with employees who have completed their approved TechCred training should complete the reimbursement process at TechCred.Ohio.gov.
You can learn more about the program at TechCred.Ohio.gov.

Distance Learning in March 2022

BWC provides at least one webinar on different safety and health topics each month. Subject matter experts share their knowledge and provide an opportunity for participants to ask questions. These lessons engage students with a variety of interactive methodologies, including whiteboard activities, polling, and chat discussions. To obtain BWC program credit, participants must complete a short knowledge assessment within the BWC Learning Management System after the webinar and earn a passing score. If the webinar provides credits, the host will provide further details regarding requirements for those seeking BWC program credit or Continuing Education Units (CEU)s during each webinar.

Webinar	Date	Time
Safe Patient Handling - Policy and Tools	Mar. 22	11:00 a.m. - 12:00 p.m.
Ergo Office: Even at the Home	Mar. 24	1:30 p.m. - 2:30 p.m.

Click here for Safe Patient Handling

Webinar Recording Replays
If you miss a webinar, just search "replay" in the BWC Learning Management System.

1. Go to www.bwclearningcenter.com.
2. Log in or create a new account.
3. Type "replay" in the "Search Catalog" field and click the magnifying glass to search.
4. Review recordings of past webinars (no credits provided).

Virtual Training Classes (VTC)
As an alternative to in-person classes, which have been canceled due to the pandemic, BWC is providing a limited number of virtual classes to meet more in-depth learning needs. Virtual classes provide the opportunity for participation and interaction consistent with the BWC classroom experience. All BWC program credits associated with a normal classroom experience are available with virtual class completion. System and participation requirements are outlined in more detail in the link for more information below.
