Fyzical Therapy & Balance Center

Centerville

FEATURED MEMBER - FYZICAL Centerville

Congratulations to our Featured Member for the month of June - FYZICAL Centerville!

FYZICAL Centerville is a full-service physical therapy center, with an additional focus on vestibular rehabilitation. The Centerville Office opened for patients on April 4, 2022.

At FYZICAL Centerville, their goal is to provide patients with a personalized experience in health care. Specifically, their focus is not only treating patients, but educating their patients on the "why". They have found that patients who are informed are more likely to complete their treatment. They are typically able to get patients scheduled for an initial evaluation within 2-3 business days of first contact.

FYZICAL Centerville is locally owned and operated by Bellbrook residents John & Vian Wheatley. They offer an impressive array of services, including: balance therapy, orthopedic therapy, neurological rehabilitation, concussion therapy, sports medicine, TMJD Therapy, Amputee rehabilitation, and a FREE fall risk assessment.

For more information, visit their website at https://www.fyzical.com/centerville-oh/

BRICK FUNDRAISER FOR LOCAL WWII VETERAN STATUE

One of Colonel Sink's original "Toccoa Men", Jim "Pee Wee" Martin (G/506) joined the now famous 506th Parachute Infantry Regiment at Camp Toccoa in July 1942. He was soon given the nickname "Pee Wee" due to being the lightest man in the regiment.

At this late date Jim Martin is one of the last remaining "Toccoa Originals" of 1942 (made famous by the HBO miniseries, Band of Brothers), who is still meeting the public and carrying forward an eyewitness account of his unit's experiences.

In honor of "Pee Wee," a life size statue is being created. On behalf of all those who served in the 506th, per Pee Wee's request, a plaque of their names will also be placed in

or around the statue of Pee Wee. This statue will be placed in Sugarcreek Township, Ohio in honor of Pee Wee. Sugarcreek Township has been his home since 1946. He and his wife Donna bought 51 acres after the war and built their lifelong home there.

Sugarcreek Township has established a location for the memorial and statue at the corner of Pine Court and Feedwire/Upper Bellbrook Road. This will become a Veteran's Memorial to honor all veterans local and afar with a dedicated park in remembrance of their service. To help fund the statue project, a brick fundraiser has been set up.

In an effort to honor all Veterans and those currently serving, their bricks will be red. However, in collaboration of a community effort, businesses and individuals may purchase a gray brick. To purchase your brick visit: https://4everbricks.com/donors/jpm/

For more information on Pee Wee Martin, the statue project, or to make a donation, please visit: www.jimpeeweemartin.com
