The mission of the Bellbrook-Sugarcreek Area of Chamber of Commerce (BSCC) is to promote positive economic and community development involving small and large businesses, government, education, civic organizations, individuals and the community as a whole.

We welcome requests for sponsorship of various projects and activities, however, we require a return for our investment from the specific entity filling out the sponsorship form. Examples include: logo on a T-shirt or a sign, verbal recognition at a particular event, or in-kind trading which could include providing personnel to help at a chamber event. When requesting support from the BSCC, please identify how your project will recognize BSCC for the support requested.

Your application will be evaluated and discussed at our next scheduled Board meeting.
